Md. Saidul Islam

Web Developer

About Me

I am a professional Web developer experienced with HTML, CSS, JavaScript, React, jQuery, Bootstrap, PHP, MySQL, Laravel, Ajax, JSON, REST API and more. I have a serious passion for UI/UX design, animation, and creating an intuitive, dynamic user experience. I have completed multiple projects and I can handle pressure and time maintaining the quality of this work.

Education

HSC

2013-2014

I have completed HSC with the GPA 4.40 from "B.N Khan Degree Collage" Situated in Barishal.

B.SC

2017-2020

I have completed BSC in CSE with the CGPA 3.75 from "Eastern University" Situated in Dhaka.
